

Downhill

Chachani Downhill - **s/120**

This is an adrenaline filled downhill mountain bike run with great views of Arequipa and all of the surrounding volcanos, including the Salinas and Aguada Blanca national reserves to the east. You will ride a beautiful high altitude, scenic route, beginning at the antenna farm on the Arequipa side of Chachani. The ride then heads east and down into the Chilina Valley between the massive Chachani and Misti volcanos for the ride back into Arequipa.

Difficulty: **Easy**

For this trip you need to be in fair physical condition, with some mountain biking experience.
